ASSIGNMENT

(TRINITY INDUSTRIES LEASING COMPANY EQUIPMENT TRUST (SERIES 2))

Dated as of June 18, 1982

Between

REPUBLICBANK, DALLAS, NATIONAL ASSOCIATION, Trustee

and

TRINITY INDUSTRIES LEASING COMPANY

ASSIGNMENT dated as of June 18, 1982 (hereinafter called this "Assignment"), between REPUBLICBANK DALLAS, NATIONAL ASSOCIATION, acting as Trustee under an Equipment Trust Agreement dated as of June 15, 1980 (hereinafter called the "Trustee"), and TRINITY INDUSTRIES LEASING COMPANY, a corporation duly organized and existing under the laws of the State of Texas (hereinafter called the "Company").

PRELIMINARY STATEMENT

The Company has sold, transferred and delivered to the Trustee certain railroad equipment (hereinafter called the "Trust Equipment") pursuant to the Equipment Trust Agreement dated as of June 15, 1980, between the Company and the Trustee (hereinafter called the "Trust Agreement").

Title to the units of Trust Equipment to which this Assignment relates has been vested in and retained by the Trustee and the Trust Equipment has been leased to the Company under the Trust Agreement, subject to the lease between the Company and Stillings Canada Petroleum Company, dated January 2, 1980, which lease was assigned to the Trustee pursuant to an Assignment dated as of September 22, 1980 between the Trustee and the Company (the "Stillings Lease").

The Stillings Lease has been terminated and the Trust Equipment leased thereunder and to which this Assignment relates has been leased to Home Oil Company, Limited, pursuant to the terms of the lease referred to in Exhibit A hereto (hereinafter called the "Lease").

The parties hereto desire that the Trust Equipment to which this Assignment relates continue to be leased by the Trustee to the Company under the Trust Agreement, subject to the Lease.

Trinity Industries Leasing Company 15-1/2% Equipment Trust Certificates due September 15, 1995 (Series 2) in an aggregate principal amount not exceeding \$25,000,000 have been issued and sold and the aggregate proceeds (including accrued interest, if any) of such sale which equals the aggregate principal amount of the Trust Certificates issued and sold constitute a fund known as the Trinity Industries Leasing Company Equipment Trust (Series 2) which was delivered by the Trustee to the Company to reimburse the Company for up to 80% of the cost of the Trust Equipment, the remainder of the cost of the Trust Equipment having been paid by the Company, as provided in the Trust Agreement.

It is desired to grant to the Trustee an assignment of and a security interest in and to the Lease and other collateral described below.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the parties hereto hereby agree as follows:

1. Subject to the rights of the lessee under the Lease, the Company hereby assigns, transfers and sets over unto the Trustee as security for the payment and performance of all of the Company's obligations under the lease provided for in the Trust Agreement (i) all of the Company's right, title and

interest as lessor in, to and under the Lease described in Exhibit A hereto together with all rights, powers, privileges, and other benefits of the Company as lessor under the Lease in respect of the units of Trust Equipment described on Exhibit A hereto, including but not limited to the Company's right to receive and collect all rentals, liquidated damages, proceeds of sale and other payments now or hereafter to become payable to or receivable by the Company under or pursuant to the provisions of the Lease and, in addition, (ii) all of the Company's right to receive and collect all per diem, mileage or other payments now or hereafter to become payable to the Company in respect of such units of Trust Equipment, whether under or pursuant to the provisions of the Lease or otherwise. The Trustee hereby appoints the Company its agent to collect and receive any and all of such rentals and other payments and to take any and all actions in respect of such Lease until the happening of an Event of Default (as such term is defined in the Trust Agreement). The Company represents and warrants that it has not heretofore made and agrees that it will not hereafter make in respect of such units of Trust Equipment any other assignment of the Lease or the rentals or the payments payable to or receivable by the Company under the Lease.

2. It is expressly understood and agreed that the assignment made and security interest granted herein apply only to the Lease (and any right, title, interest, power, and privilege of the Company as lessor thereunder) insofar as such Lease covers or otherwise applies to the rail cars described in Exhibit A hereto and any rail cars substituted as replacements for the rail cars described in Exhibit A hereto, ipso facto, without further instrument of assignment (but do not apply to any rail cars added to such Lease as additional and not replacement rail cars).

3. It is expressly agreed that the rights hereby assigned to the Trustee are subject to the rights of the lessee under the Lease, and that the Trustee, so long as any such lessee is not in default under the Lease, shall not interfere with the rights of peaceful and undisturbed possession of such lessee in and to any of such units of Trust Equipment in accordance with the terms of such Lease.

4. In addition to, and without in any way limiting, the powers conferred upon the Trustee by Sections 6.01 and 6.02 of the Trust Agreement, the Trustee may upon the happening of an Event of Default (as defined in the Trust Agreement) and not otherwise, in the Trustee's own name or in the name of the Trustee's nominee, or in the name of the Company or as the Company's attorney, (i) ask, demand, sue for, collect and receive any and all rentals or per diem, mileage or other payments to which the Company is or may become entitled in respect of such units of Trust Equipment and (ii) enforce compliance by the lessee under the Lease with all the terms and provisions thereof and make all waivers and agreements, give all notices, consents and releases, take all action upon the happening of an Event of Default specified in the Lease, and do any and all other things whatsoever which the Company, as lessor, is or may become entitled to do under the Lease.

5. The assignment made by this Assignment is made only as security and, therefore, shall not subject the Trustee to, or transfer, or pass or in any way affect or modify, the liability of the Company under the Lease or otherwise, it being understood that, notwithstanding any assignment, any obligations of the Company under the Lease or otherwise shall be and remain enforceable against and only against the Company.

6. (a) Upon the full discharge and satisfaction of the Company's obligation under the lease provided for in the Trust Agreement, the assignment made pursuant to this Assignment shall terminate and all rights, title and interest of the Trustee as assignee hereunder in and to the Lease or any payments in respect of such units of Trust Equipment shall revert to the Company.

(b) Upon the release of any such unit of Trust Equipment pursuant to Section 5.06 of the Equipment Trust Agreement, this Assignment shall terminate pro tanto with respect to (i) such unit of Trust Equipment and (ii) rights assigned to the Trustee hereby and by the Equipment Trust Agreement in the Lease insofar as they relate to such unit of Trust Equipment, and upon such partial termination such unit of Trust Equipment and rights shall revert to the Company or to such person or persons as may be legally entitled thereto, provided, however, that if an Event of Default has occurred and is then continuing, such termination and reversion shall not occur until such Event of Default shall have been cured or waived in accordance with the provisions of the Equipment Trust Agreement. After any partial termination, the provisions of this Assignment shall no longer be applicable to such unit of Trust Equipment and rights, and the Trustee shall at the request of the Company or such other person, and at the expense of the Company, deliver to the Company or such other person, a writing evidencing such partial termination.

7. The Company covenants and agrees with the Trustee that in any suit, proceeding or action brought by the Trustee pursuant to the provisions of this Assignment for any rentals or per diem mileage or other payments in respect of the Trust Equipment, whether under or pursuant to the provisions of the Lease or otherwise, or to enforce any provisions of the Lease, the Company will save, indemnify and keep the Trustee harmless from and against all expense, loss or damage suffered by reason of any defense, set-off, counterclaim or recoupment whatsoever.

8. Except as otherwise provided herein, the provisions of this Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

9. All demands, notices and communications hereunder shall be in writing and shall be deemed to have been duly given and personally delivered at or mailed by first class mail, postage prepaid, to (i) in the case of the Company, delivered at 4001 Irving Boulevard, Dallas, Texas 75247, or mailed to P. O. Box 10587, Dallas, Texas 75207, Attention: President, or such other address as may hereafter be furnished to the Trustee in writing by the Company, and (ii) in the case of the Trustee, delivered at One Dallas Centre, Dallas, Texas 75201, Attention: Corporate Trust Department, or mailed to

P. O. Box 2964, Dallas, Texas 75221, Attention: Corporate Trust Department, or such other address as may hereafter be furnished to the Company in writing by the Trustee. An affidavit by any person representing or acting on behalf of the Company or the Trustee, as to such mailing, having the registry receipt attached, shall be conclusive evidence of the giving of such demand notice or communication. Any communication so addressed and mailed shall be deemed to be given on whichever of the following dates shall first occur: (i) the date of actual receipt thereof by the intended recipient, (ii) the fifth day next following the date mailed, or (iii) if the substance thereof is communicated to the intended recipient by hand delivery, telephone or telex on or prior to the date of such mailing, the date so mailed.

10. This Assignment may be executed in counterparts each of which shall be deemed to be an original and all of which counterparts together constitute but one and the same instrument. It shall not be necessary in making proof of this Assignment to produce or account for more than one such counterpart.

11. The provisions of this Assignment and all rights and obligations of the parties hereunder shall in all respects be governed by, and construed and enforced in accordance with, the laws of the State of New York, including all matters of construction, validity and performance.

IN WITNESS WHEREOF, The Company and the Trustee have caused their names to be signed hereto by their respective officers thereunto duly authorized and their respective corporate seals duly attested to be hereunto affixed as of the day and year first written.
